## Introduction

Meson round directable is a recessed LED spot with a powerful LED. The directable spot unit can easily be adjusted up to 35°. The spot unit features a Jordan A...

With the Meson round directable, you choose architectural lighting that unites design and light quality. Designed for exhibition spaces, hospitality, office, education, public spaces, retail, the luminaire integrates neatly into the design and delivers comfortable, considered light. Thanks to its thoughtful detailing and high-quality finish, it is a choice that lasts for years — and makes your project look better.

---

## Features

Spot adjustable from vertical up to 35° in all directions

Fitted with a Jordan Alunova® reflector with spherical facets, available in a 24° or 40° beam

With a standard Ø190 mm trim or a Ø245 mm refit trim for larger existing ceiling openings

Wire-spring mounting allows easy installation in suspended ceilings

## Technical specifications

Mounting	<b>Recessed</b>
Application	<b>Exhibition spaces, Hospitality, Office, Education, Public spaces, Retail</b>
