Specification text

Refurbishment Metronome is a linear LED luminaire fitted with a row of 12 lenses decoratively recessed behind a louvre grille. The luminaire combines functional lighting with a distinct architectural appearance. Thanks to its magnetic mounting, installation in ceilings with existing cut-outs is easy and efficient. This makes Metronome 12 particularly suitable for both renovation projects and new ceiling concepts. Key features - Linear LED luminaire - Row of recessed lenses - Louvre grille - Magnetic mounting - Easy installation in existing ceiling cut-outs - High efficiency - Optimal light distribution - Low glare with UGR below 19 - Steel housing - Powder coating - Custom-made to customer specifications

Information

Note

Specifications depend on the project and configuration. Always consult the current technical documentation.

This datasheet is compiled from structured product information based on XML source data and the current source page. Specifications may vary per project configuration.
