

MESON ROUND 100 FT

Meson round 100 FT is a recessed adjustable flat trim LED spotlight, equipped with a high-performance power LED. The spotlight head (with heatsink) can be tilted up to 30° in both directions. The head contains a recessed metallized optical reflector with a light distribution of 32°.

- Identical to Meson 100 with a flat edge (3mm)
- Easy installation with spring clips
- Product color in white or black
- Metallized optical reflector with a light distribution of 32°
