Moonglow is a family of round LED surface-mounted luminaires (290 mm) with a soft, even light. Available in black and white and with direct and indirect distribution, these circular luminaires give spaces a calm, decorative character. Available in 2700–4000K and tunable white, with a colour rendering of CRI 80/90, controllable via ON-OFF · DALI-2 · 1-10V · Casambi.
